REMARKS

On 8/7/2020, at approximately 11:40 hours, I, Officer Foss-Rugan along with Officer Tetrault responded to #55 North Main Street (Bergan Architectural) for a larceny from the building.

Upon my arrival, I spoke with the victim who is an employee. The victim advised me that he was in the shop working. The victim said that he went to go get something out of his tool box which was sitting on a work bench on the west side of the shop and realized it was missing. The work bench is next to a garage bay door which was half opened. The victim said that he went to the owner and asked him to review the

cameras and that's when he realized the tool box had been stolen. The victim said that inside the tool box was his wallet containing numerous credit cards, a small amount of cash and other miscellaneous items. The victim said also in his tool box was his Toyota Prius car keys that also had his house keys on the key ring.

Upon reviewing the video, you can see a Hispanic male with gray colored hair wearing a dark colored t shirt, blue shorts and slide style sandals walking south on the sidewalk located on the west side of the building. The male, who is later identified as Jose Santiago is pushing a shopping cart full of food and comes from the area of the St. Vincent De Paul food pantry located on Stack Street. Santiago then enters the shop and crouches down behind the work bench where the victim's yellow and black colored tool box is sitting. Santiago then looks around the shop and reaches up where he grabs a gray colored small tool case that had nothing in it. Santiago then grabs the yellow and black colored tool box containing tools valued at approximately \$100.00 and exits through the same bay door on the west side of the building. Santiago then continues to walk south on Pease Avenue out of camera sight.

I also went into the Global report writing system and entered his name. Upon reviewing prior booking photos, I was able to identify Santiago as being the person who stole the items.

Officers continued to canvass the area and I eventually saw Santiago standing on the corner of Main Street and Liberty Street wearing now a light colored blue shirt with the same shorts and sandals that he was wearing in the video. I made contact with Santiago who initially denied that he ever entered the shop and eventually changed his story saying that he entered the shop through an opened bay door. Santiago admitted that he walked near the work bench and was looking through two garbage cans for cans. Santiago denied taking the tool box even though I showed him pictures of him on the video surveillance. Santiago also admitted that he entered the shop after going to the food pantry. Santiago acted like he was going to talk about his involvement and kept asking me if he could get a promise to appear. At that time, I placed Santiago under arrest and Officer Buller transported him to Middletown Police Department for processing.

During the time I spoke with Santiago, Officer Tetrault returned to the shop to confirm that the victim wanted to press charges which he did. Officer Tetrault advised that the victim had made contact with his bank and the bank card had been used at locations through Middletown. Officers identified and made contact with the two females who had used the victims credit card. It was established that the credit card originated from Santiago and that Santiago told one of the females that used the card that it belonged to his boss.

Santiago was charged with the following: Larceny 6th 53a-125b, Burglary 2nd 53a-102 and 53a-108-Criminal Trespass 2nd. Santiago was held on a \$25,000 surety bond at Middletown Police Department. Santiago will be arraigned in Middlesex Superior Court on 8/10/2020 at 09:00 hours. A court date of 11/6/2020 was issued.

Santiago has a total of forty prior arrests. Santiago has been found guilty of the following: Possession of a controlled substance, Breach of Peace Second degree, Assault in the third degree, Disorderly Conduct, Possession of Narcotics, Interfering/resisting arrest, Robbery first degree, Larceny sixth degree, Identity Theft third degree, Failure to appear second degree, Probation Violation, Assault second degree, Threatening second degree, Robbery third degree, Larceny third degree, Larceny fourth degree Criminal Mischief second degree and Criminal Trespass second degree.

END.
